HOW TO PLAY SAND PAINTING ? KUM BOYAMA NASIL OYNANIR ?

Firstly, borders of the picture are removed by using tweezers.
İlk olarak etiketın kontur kısmı cımbız yardımı ile kaldırılır.

Sands are poured to adhesive surface.
Yapışkan yüzeylere siyah renkli kum dökülür.

Needles sands are cleaned by shaking.
Fazla kum dökülür.

After, the same process are repeated for the rest from dark colours to lighters.
Daha sonra, koyu renkten açık renklere doğru sırayla aynı işlemler uygulanır.
